

Dear Friends from Conrad School

Hello, we are the press club members of Sukuta Wannsee Basic Cycle. We are very thankful for the support you have showered on us, we really appreciate it. The climate here is cool and warm.

Our job in press club is to write newspapers about what is happening in the school and in the Gambia as well we also write jokes, stories and poems which help to improve our vocabulary. We go for excursions too and write about the places we visit. Our school is very good and also among the three (3) best schools in the Gambia. We have 13 classrooms, from nursery one to grade nine (9). We also have home science lab (which is used for cookery practical's such as cooking and sewing), we also have computer lab (ICT) , the library and the staff room for teachers, the administration, staff and students toilets, House for the principal and his family, the kitchen, the store, borehole and school Car. Our classes begin at 8:30 to 3:30 from Monday to Thursday and from 8:30 to 11:15 on Fridays. Our nursery has 2 breaks while grade one to nine have only 30 minutes and 15 minutes break. We also learn about 12 subjects which are English, math's, science, SES, agricultural science, IRK, Physical education, home science, French etc. there are different kinds of clubs like the press club, peace ambassador club, the red cross and the French club.

Human resources: We have 31 working staff. This includes teaching and non-teaching staff.

Students: There are 555 students in nursery, lower basic school and upper basic school.

Gender: We have 256 male students and 299 female students.

Above all we the press club members want to take this opportunity to express our sincere gratitude. We hope you spend a lovely and wonderful time in your school.

Best regards,

The press club members
